

# Personal Modesty Kit

The Personal Modesty Kit was developed for FDNY and built to meet their requirements when responding to emergency events. The kit provides the means for victims of fires and other hazardous events to remove gross contamination and don clean coverall immediately as the event site.

The modesty kit includes:

- Coverall garment
- Booties
- Face mask
- Personal hygiene wipe
- Personal drying wipe
- Disposal bag

The kits are available in a six (6) or twelve (12) person configuration.
