# M2DCON™

PORTABLE

SAFE

EFFECTIVE

## PROFESSIONAL USE ONLY

Not intended to replace an NFPA 10 compliant fire extinguisher where required. Do not use for fires that cannot be safely fought from at least six feet away.

## INSTRUCTIONS

1

REMOVE SAFETY TAB AND SHAKE SLIGHTLY

2

HOLD CAN IN A CONVENIENT POSITION TO FIGHT BLAZE.

3

STAND AT LEAST 6 FEET AWAY FROM FIRE.

4

AIM AT BASE OF FIRE AND DEPRESS BUTTON

5

USE ENTIRE CONTENTS OF CAN.

6

DISPOSE OF CAN AFTER USE.

## WARNING

Contents under pressure. If dropped or damaged, discard and replace. Do not puncture or incinerate container or store at temperatures below 32°F or over 120°F. Store in original container in a dry and well-ventilated place. Keep out of the reach of children. Contents may cause mild skin irritation. Avoid spraying in or near eyes or on irritated skin. Consult a physician if an allergic reaction, rash or other symptoms occur. In case of direct contact with eyes, rinse area with water for at least 15 minutes and consult a physician. Do not swallow contents. If ingested or in case of emergency, seek medical help immediately. Do not induce vomiting.
